

## **Advanced Coatings Inc. Launches New Website**

Advanced Coatings is inviting visitors to explore its new website. It has been designed to provide a more user-friendly experience with improved navigation and functionality throughout.

The site includes extensive product information to help customers understand our complete range of high performance products.

Technical data, brochures and videos work together to provide a detailed overview of Advanced Coatings capabilities across a wide range of construction sectors including commercial, residential and retail.

The new website is closely aligned with the company's strategic vision for growth and expansion over the next decade and beyond. We hope it provides a useful informative portal for customers to get to know Advanced Coatings and our products.
